

Mareeba - Sese Family News

November, 2005

There is so much happening in our ministry life that we can easily make important achievements in the kids life take second place.

George is responding correctly in some conversations and saying short sentences. He is having some difficulties in school, but we thank God for a new person in charge in his group at school. She is positive and has already got George to go to school one whole day a week (apart from four half days). We thank each one of you for praying for him. We are grateful to a family in Western Australia who give special support in finance for him.

Nelda: (Grade 6/7) attended a special camp for girls sponsored of six girls chosen for camp promoted by Q'ld Education in information and Technology. She was one of six girls chosen from her school. Nelda helps in Sunday School. She is very enthusiastic and keeps giving new ideas for ministry to her dad. Sometimes she suggests whom he should visit.

Nathan: The best that has happened to Nathan is rededicating his life to the Lord. He has seen Matthew 6:33 become reality for him "Be concerned above everything else with the Kingdom of God and what He requires of you, and He will provide you with all the other things."

Nathan won "The Best Back" award for the under 18 Mareeba Gladiators Leagues Club. Willy Tonga and Sonny Bill Williams were the special guests at the presentation night. (The guys mentioned above are professional Rugby league Players in Australia.) He has won another sports award from school. He now has his drivers licence. All this has happened in the last month or so.

Nathan graduates from school this year and is keen to go to university. He is hoping to be able to do a course at James Cook Uni. (Cairns Campus)

Theresa: is working on a herb farm helping pay our bills and helping support us in some things around the church. But we truly and sincerely thank each one of you for supporting us financially all these years.

There hasn't been much communication this year due to the scribe being too tired after work, but we deeply appreciate all you have done for us, and for Mareeba because of your love for God.

Aunty Carol Sese is with us for three months & she is a blessing and encouragement to all of us as a family. She has helped take a lot of load off mum. She is enjoying her stay in Australia. Thank you to all who have made it possible for her to be here.

With all our love and prayers, The Sese family.
