A “Tool Box” letter from Mark Naden next issue!

From Hazel Lauridsen’s March Newsletter.

January drove to Brisbane then flew to N.Z. where I had been invited (by family of the same name—Lauridsen!) to speak about the work I have been involved in for the last 36 years. The people knew little about the Aboriginal work in Australia. (I was able to stay over and do some site seeing too!) Returned to Bris. and shopped for supplies for the Easter Convention. On 2 occasions the Lord wonderfully provided that the supplies be delivered to the ‘Bookshop’ Bus at Redcliffe without charge or delay! While I was in N.Z. Trevor Ginn & Danny Matthews outfitted the new bus/camper/bookshop! Great job! .. Now back in Mt Isa preparing Bookshop things for the Easter Convention at Soapy Bore N.T.11 hours drive from Mt Isa. The Lord is really blessing there. Cairns Trinity Baptist is once again running the kids programme. Pray for Convention speaker, Paul Johnson, people, Kids Prog. Bookshop & keeping rain away until we get home16 hours of travel on dirt roads!! In Christ, Hazel Lauridsen.

“Sower” Bookshop Torres Straits—Stan Pedler

- * Stan came south for a Pedler Family Reunion in Jan/Feb
- * Shopping for supplies for Bookshop
- * **Praising God for accommodation** allocation of a new ground level Dept of Housing Unit on T.I. Eagerly awaiting the day its ready for occupancy! Then to get furniture! (no room for such items when sleeping at the Bookshop!)
- * Local T.I. Residents and Islanders are eagerly awaiting the new supplies of DVD’s, Christian books, gift lines & Bibles on Stan’s return.
- * Heartening to see that at 90% of Bibles and Bible covers on T.I. have come from the “New Light Ministries/Sower Bookshop”

Lyle will spend time at Norman- ton April—Mid May

It will be good to be with the church for an extended period and consolidate some of the things begun with them in January. Lyle will be working with N’ton in launching a scheduled bus service to & from the hospital for Karumba & N’ton residents (using the Church bus) A remote area grant is making this needed service possible. Pray for him. He has busy days ahead.

Sese Family Greetings — Gibson W. A.

Slowly we are adjusting to our new location. (even the news was ‘strange’ as we didn’t know places, people, or the politics!) Life at the Training School is in full swing. But we miss you guys! Thanks for your support and prayer. Pray for Nathan in Cairns. George and Narelle are settling to the Esperance Schools. Remy & Theresa

Cabaret Restaurant At Logan

Sunday 10th March 6pm

It sounds good - and it was good! Several Aboriginal Ministries from Brisbane & Logan shared the evening of fellowship, food and God’s message. Kyle Slabb (Cross Flow) was guest speaker. Its great to see young Aborigi-

Kevin & Julie Slabb

Julie’s mum fell & broke her knee cap in Jan. This with other serious health issues for her parents required Julie & Kevin to be in NSW. Their future is still ‘uncertain’ re Eidsvold.
