Christmas Break-up for Sunday School! Thank you Dalby and Redcliffe Church families for making this such a special day for some 50 kids and their families. Most do not attend any other place where they can hear about God! Pray for 2009 S.S.

Kids Programme: Island Breeze Youth ministry team will assist again with a programme before Christmas and another group during January.

Pastor John Tonga has found the bus driving for the Muri School has opened doors to many contact families. However, it has limited his visits to the Youth Detention Centre. We praise God that a Christian friend has offered to drive on the afternoons of these visits. The youth have been asking "Where is Pastor John?" John will also be on the 2009 roster to conduct the Church services (9 am to 1pm—four sessions) Pray for him in this. John has expressed the great need for a full time Chaplain at the Youth Detention Centre.

Logan Project for 2009: If you have visited Logan you know how real the need is to have an adequate facility for the Kids Ministry programme. A Korean Fellowship has given a gift of \$3,000 to start the fund raising for the facility. Pray that this project will become to reality quickly! It is certainly greatly needed!
