

Wongutha CAPS  
PO BOX 101  
GIBSON WA 6448.

Hello Everyone

We are almost at the end of first term of school at Wongutha. As of writing we have two weeks to go before the students fly or get on a bus to travel several hundred kilometres to go for the two weeks holidays. Remy will be flying out with them and another staff member to see the students off from Perth the next day and fly back to Esperance. This is important part of caring for the students who travel as far as the Warburton Ranges.

We enjoyed our Queensland holiday. It was good to see family and friends and especially spend time with Nathan our son. We spent some time at the Mareeba Community Church and it was great and a blessing to see those who were around over the holidays too. We thank the church for their kindness.

We want to thank everyone who made us feel welcome and at home again for sometime. We want to thank everyone who came to Nathan's 21<sup>st</sup> birthday. Thank you for the gifts and especially for coming and making his day special. Bless you all. Being a man of few words he has asked us to say thank you to you on his behalf although it is a long time ago now.

We travelled back to WA and had interesting time spending times of "rest" on the road side several nights .... good experience.

Nathan is in his last year at Uni in JCU in Cairns QLD. He still plays in the Mareeba Gladiators Rugby League A Grade. He has a new challenge in his Christian life to be the mentor for some students at a local school. His Church is doing this new program, and he is happy to be involved. Narelle is in Year 10 at Esperance Senior high school and has settled better this year. She is also involved with the student's sports and joins in what the girls do at Wongutha. George is doing very well in year 7 at Castletown Primary school we are very

happy with his progress. His difficulties are not being able to get him to medical check ups easily but it is better this year than 2008. Please pray with us as we attend several appointments soon.

Remy enjoys teaching God's word to staff and students each week. He also spends time with the young boys in Hostel supervision times. These boys will be the indigenous leaders in their communities in time to come. There are opportunities to preach at the local Church of Christ Church once a month as well as preaching at the school church services. His desire this year

is to GIVE the BEST in whatever he is asked or required to do and wait on the Lord and Trust Him

Theresa is working at the school and the hostel too. It is a challenge to try and help the students again this year. There are many opportunities to help the students achieve their goals and to lead them to the ONE who has the BEST plan for them, so she needs prayer in all this. The coming Term holidays will be a real welcome. We have more time with Narelle and George this year and this is good for all of us.

There are several trips away from home this year so pray for us as we work out how to sort all these trips and family responsibilities.

We spend time praying for MAREEBA and you all and the school here. We have seen God at work here and he will do so in your lives too because He answers Prayer,

Love you guys and miss you  
Blessings  
Remy and Theresa Sese
